

Gabriella Canonica, 1st Vice President, Chair Membership

Since my 3 years term as European Regional Coordinator from 2005 - 2008, important facts have changed my life.

First I had to change my “Region oriented language” completely to the International language. What a challenge and enrichment.

Secondly: I found out, that visiting the 5 regions, participating actively in the meetings, was a full re-load of my batteries, full injection with high voltage!. This gave me the power to give all of my own energy and support to the 5 Regions.

Third. Thanks to the openness I found around the world, I was able to leave some footprints for the future of BPW International.

Thank you dear Presidents of Federations, Associate Clubs and to all the members who opened their hearts for the words I left behind in your events, meetings, workshops, personal talks and visits to private invitations. From the bottom of my heart: thank you It has to be said: without you, your engagement, the work in BPW would not go round!

The “asking why” Members

Evelyne Mongbo-Ahouadi, BPW Cotonou, Benin, BPW Africa

I first met Evelyne in 2005 in Cotonou, she was not a Member of BPW. She was asking why she should be a member. I met her again in 2009 at the BPW Africa Congress in Nigeria. She presented about Gender Budgeting. Still, she was asking why she should stay. “What does BPW **do** for me?” She decided to participate at the BPW Presidents’ Seminar and attended CSW in New York in 2010. When I met Evelyne in November 2010 at the BPW Forum in Benin, she was fully engaged in BPW! “Yes, now I know that **I** can do something for BPW!”

“Yes of course! What can I do? “

Julie Menadue, BPW Adelaide Australia – BPW Asia Pacific

The Yes of course immediately! what can I do - members Julie Menadue, BPW Adelaide Australia – BPW Asia Pacific
Typically Julie! The first thing she asks is: “What can I do for BPW? Let me be a support, let me work for you and the members!” She never would ask “what can BPW do for me?” With her bright smile and shiny eyes, she conquers everyone and recruits new members. Inspired by her time at CSW in New York, eager and empowered to make difference, Julie has been appointed as BPW International UN Reps Directory Coordinator.

“Dream believer, mountain mover”

Carla Laura Petruzzelli, BPW Vicenza, Italy – BPW Europe

“the Dreams believers” – Members :

Carla Laura Petruzzelli, BPW Vicenza, Italy – BPW Europe

Carla had a dream: inviting the International President and 1st Vice President to attend her special event in September 2009 in her Club in Vicenza. It became reality: a Conference about Violence against Women; a meeting with the Chamber of Commerce; a Twinning Ceremony “La Strada del’Oro” between BPW Arezzo/Vicenza and BPW Basel; and electing a new President for BPW Vicenza in the Villa Valmarana.

The participation of the International President made it very special and encouraged high level participation.

Keep your dreams alive! They might become true!

She is not tall, but once you speak to her, you will be amazed about her HIGH voltage!

Big in her heart, in her work, in her mind, in her actions and accomplishments for BPW Hollywood,

you need not be tall to be seen or to be heard, but you must have a big heart and a strong mind.

And Marjory has both: an outstanding and unforgettable “little lady” with the highest profile, charisma, who is well known at all BPW conferences and can never be ignored!

The whole region doubled their Members

Nevertheless. The main point stays: transparency. Some Associate Clubs still show 20 Members since the beginning (years and years ago).

The same for the Federations. Some show the never-changing number of 100, just to pay the minimum and to keep the status of Federation.

We appeal to all Presidents: be sincere, transparent, for your sake and for the sake of our Organization. Every reported Member has to pay the international and regional dues, and as you are aware, our Organization needs this financial support badly.

Truly, if you all would report the reality, our numbers could be higher. Please make an effort! It pays out.

I close my 3 years term as Chair Membership and 1st Vice with great satisfaction of the achieved work and this was only possible thanks to you, Executive Board colleagues, Presidents and Members of Federations, clubs and Associated Clubs. Thank you.

I move my report with 2 recommendation

Recommendation to my report: That the Workshop Re-energizing your Club / Federation takes a place in the ongoing lifelong learning programs and will be ready to download on the webpage in the documents.

That the “wise women” idea is taken seriously in every Federation and Club.
